Quick Test Information

This test is suitable for all grades applicable for taking the test. (Grades 3 - 12)

Depending on the student's grade level, the questions on the test may vary. By default, this test is not required for all accounts. This test is disabled for those that have a student account that is not registered in a class, and teachers. Even then, this test is still optional for students that are in a class. By default, this test will be enabled upon account creation. (See *HouseLearning Documentation*)

NOTICE: THIS TEST DOES NOT TOLERATE CHEATING, AND ANY WRITING ON THIS TEST THAT IS DETECTED AI GENERATED / COMPUTER GENERATED WILL HAVE THE TEST VOIDED

NOTICE: WHEN THIS TEST IS COMPLETED, WITHIN 2-3 DAYS, TEACHERS & TEST ADMINISTRATORS WILL GET THE SCORES BACK FROM THE TESTERS.

BEGIN DOCUMENT

Teachers, please read the below section in red **only** out to your students.

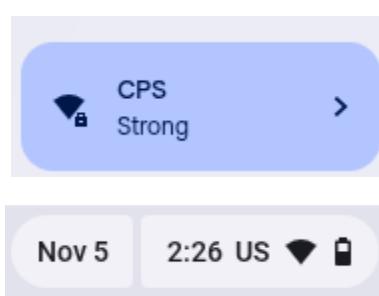

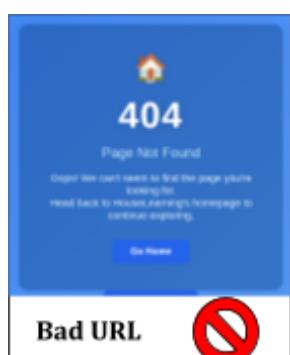

**Please open your computer and sign in to your computer's account.
Please verify that you have wifi connection. Also, please make sure that you have a battery percentage above 65%. Any device below this percentage must not be used, and the student must use a borrowed or backup device.**

Students, please take this time to ask questions:

NOTICE: When students are done asking questions, please move on to the next section of this script.

I will now pass out your notes paper to record notes.

NOTICE: After the test administrator is done passing out the notes paper, the test administrator will now provide the Join Test instructions.

Students, please join the dashboard, using the provided URL written on the screen. Once you have entered the correct URL, please wait here, and do not continue unless told so. If any student encounters another page other than the student dashboard, please raise your hand.

Now, please hover over the Fall Benchmark Assessment, and click Math. Your test is already adjusted to your grade level. On this screen, you have options to test your audio and video playback. Before starting this test, please check both the audio and video items to check that your device is correctly playing the video. If your device does not output the video and/or output please raise your hand, as the Test Administrator will come over to assist you.

NOTICE: After every student checks out, read the below directions carefully to the students.

Now, please let me read the directions of this assessment.

Today you will begin the HouseLearning Fall Benchmark Math Assessment. You will have 60 minutes to complete this test. If you take longer than the given time to complete this assessment after notice has been given, your test will be voided. During this test, talking is not permitted, and may count as cheating, which will get your test voided. Any unapproved electronic devices found in use during this test will get your test voided. As your test administrator, I am not allowed to assist you with the test questions, or the resources provided with the test. Do not continue until I say the next direction.

This is the end of the directions on your screen. I will now walk around to make sure everyone is on the correct screen.

NOTICE: AFTER THE TESTING ADMINISTRATOR DOES A SCREEN CHECK, THE STUDENTS ARE OK TO PROCEED

You may now click the *Start Test Now* button on the bottom of your screen and start the assessment. Repeated again, this test is 60 minutes, good luck.

END OF DOCUMENT

Teachers, please do an occasional walk up and down any aisle, / supervise the students to make sure they are on-task. If the students are caught off-task, their tests will be voided, and they would have to retake the test another time, *repeat directions*.
